Spring Break Camp

6-10 Year Olds

Mission Conservation

March 11-15 (full week)

We are on a mission to save the planet! During this week of camp we will be exploring ways your camper can help conserve resources and habitats around us. Campers will get to learn how to up-cycle as they create their own t-shirt bags, create notecards to share a conservation message with others and learn how to bomb their yard with wildflower seeds! It will be an inspiring and exciting week!

Fall Break Camp

6-10 Year Olds

Zoo Careers

October 7-11 (full week)

Ever wonder what it is like to work at a zoo? It's not just about taking care of animals! This week campers will get to beautify the grounds as they plant some plants around the zoo, prepare food and enrichment for some animals, share their animal knowledge with guests, sit in on some animal training sessions and even help diagnose a sick animal in a mock scenario. Come join us as we learn all the things it takes to make a zoo run.
