

Bench Program

Designate a favorite area of Zoo Knoxville in honor of a special person or event, or in memory of a loved one. We will help you find the perfect location for your tribute bench near a favorite animal area or garden. A plaque will be cast with your personalized inscription and mounted on a zoo bench. The custom 2-by-10-inch plaque will be installed, typically within six to eight weeks of your order. The cost of the program is \$5,000 per bench with a 10 year placement.

A commemorative tree provides a lasting tribute to remember special people or special occasions.

Donors may choose to place the plaque at the base of an existing tree or they may have a new tree or sapling planted on zoo grounds.

\$2,500: Select a location for a new tree to be planted in the Zoo

\$1,000: Select an existing tree in the Zoo

*Duration of plaque placement is (10) ten years. Because trees are living specimens, Zoo Knoxville will guarantee a replacement or substitute tree if your designated tree dies or has to be removed within duration of the placement.
